

Society Member Access to the Journal, Food Quality and Preference **Registration Instructions for the Members of The Sensometric Society**

To activate access to this new Society Site, and/or to create your personal account on ScienceDirect, you will need to use the Society Membership Number.

Please enter your membership number in the Registration Box at the following URL:⇒

<https://www.sciencedirect.com/fgap/activate/members>

Your society membership number was included in the Welcome Message you received when you joined or renewed your membership to The Sensometric Society. If you no longer have the Welcome Message, please contact The Sensometric Society's website: ⇒ www.Sensometric.org to obtain your membership number (see last page of this document for detailed instructions).

After entering, click on "continue".

For Existing ScienceDirect Users: The next step **will allow you to associate an existing ScienceDirect user profile to this subscription, if you have one.**

Please Note – If you have associated your existing ScienceDirect User-Profile to this Society Access, you **must** type into your Internet Browser, the Society Site's URL to access the society journal. The contents of the Society Home-Page will not be accessible via the ScienceDirect Home-Page (www.sciencedirect.com) nor via any other Society Member Site which you may have subscribed to. Society Sites are supported on a separate platform to ScienceDirect.

Please go to the Society Member's Site and enter your new username and password in the upper-right hand corner of the Homepage:⇒ <http://www.sciencedirect.com/fgap>

For New Users to ScienceDirect: **If you do not have an existing profile and are a new user to ScienceDirect, you can continue to the registration screen that will allow you to create a new user profile.** You will be asked to fill out a form and choose a password. A unique username will then be assigned. It is important to note, that all user-names and passwords to ScienceDirect are case sensitive. After registration you can directly login to the Society Site with your username and password.

Please Note - Do NOT use special characters, such as ö, ä, æ when entering your personal details into the profile form.

Please go to the Society Member's Site and enter your new username and password in the upper-right hand corner of the Homepage:⇒ <http://www.sciencedirect.com/fgap>

If you encounter any problems registering, please note that older browsers may not support SSL encryption, which is required for secure data transmission. Also, cookies must be enabled in your browser to support the registration process.

Please note, society access to this journal on ScienceDirect is available from articles published from 1995 and onwards. Please also note, the Society Site is not entitled to the SciVerse Platform nor does it carry any of its functionalities.
