

## **FOOD QUALITY AND PREFERENCE**

### **Special issue ‘Sensometrics 2016: Sensometrics-by-the-Sea’**

#### *Submission Guidelines for Authors*

Authors are invited to submit an original manuscript or review paper for publication in the journal *Food Quality and Preference* for the special issue ‘*Sensometrics 2016: Sensometrics-by-the-Sea*’.

Please refer to the journal's Guide for Authors for specific advice on how to prepare a paper (<http://www.elsevier.com/locate/foodqual>). Papers must be submitted electronically via the Elsevier Editorial System (EES) site for the Journal at <http://ees.elsevier.com/fqap> beginning **July 5, 2016**. To ensure that all manuscripts are correctly identified for inclusion into the special issue, it is important to select “**SI: Sensometrics 2016**” when you reach the “Article Type” step in the submission process.

Review articles are particularly welcome and any inquiries regarding the content of papers should be submitted to Dr. Michael Meyners ([meyners.m@pg.com](mailto:meyners.m@pg.com)) or Dr. Halliday MacFie ([hal@halmacfie.com](mailto:hal@halmacfie.com)) or Dr. Sara Jaeger ([sara.jaeger@plantandfood.co.nz](mailto:sara.jaeger@plantandfood.co.nz)).

#### **Special issue Timelines:**

July 5, 2016	: EES will be open for submission
October 1, 2016	: Deadline for submission
July 2016 – April 2017	: Period of peer-review process
May 2017	: Expected publication

Refer the Elsevier [EES guide for author](#) for interactive tutorials
